

## GOD CARES ABOUT YOU

*Exodus 2:24-25*

*The people of Israel groaned...when they cried for help, God heard them. God heard their cries, He saw the troubles of the people of Israel, and He was concerned about them.*  
(New Century Version)

## Praise God for His Answers

- **Frank Brennan and Don Hallem** have worked endless hours on upgrades to Luther Hall. Thank God for the progress on the stucco repair, the wall painting, and vigilance in keeping the playground safe for our students.
- **Praise God for the cohesive church leadership team** last year.
- **Thanksgiving** for keeping the inauguration ceremonies safe.
- **New leaders in place** in the federal, state, and local governments.
- **Answers for ongoing health issues** in members/member's families and friend's lives. Yvonne Waters stents all working as they were designed.
- **Heating and cooling** in Luther Hall and the school rooms.
- **Guidance and leading Rob and Dawn Cooksey** regarding financial planning for Mission Lutheran School.
- **Lourdes Carabotta's** health concerns addressed at Mayo Clinic.

## Prayer Requests

- **Wisdom for the doctors attending Lourdes**, that they identify procedures and treatments that will improve her comfort and health.
- **Provide guidance and wisdom** to Pastor and church leaders throughout the vision and mission strategic planning process with Pastor Patten. Member's hearts to be touched to participate in this process.
- **Implementation of Rob and Dawn Cooksey's** suggestions for the financial well-being of MLS. Give MLC guidance to become inspired even more to grow our school and bring children to know Jesus.
- **Pray for our nation** and all the new leaders who have been put in place. Pray that God would guide them in all their decisions and plans and that they would turn to God for guidance and wisdom!
- **General health of the congregation.** Pray that attendance and contributions would increase. Pray God would give us the strength to remain strong and carry His Gospel message into our world even if we are mocked or ridiculed.
- **Pray for all in America** who suffered loss in the violent/extreme weather conditions so far this year. Please, heavenly Father, comfort them!

**C**onsider the earth! Our globe's weight has been estimated at six sextillion tons (a six with twenty-one zeros). Yet it is precisely tilted at twenty-three degrees; any more or any less and our seasons would be lost in a melted polar flood. Though our globe revolves at the rate of one-thousand miles per hour or twenty-five thousand miles per day or nine million miles per year; none of us tumbles into orbit...

As you stand...observing God's workshop, let me pose a few questions. If he is able to place the stars in their sockets and suspend the sky like a curtain, do you think it is remotely possible that God is able to guide your life? If your God is mighty enough to ignite the sun, could it be that he is mighty enough to light your path? If he cares enough about the planet Saturn to give it rings and Venus to make it sparkle, is there an outside chance that he cares enough about you to meet your needs?

*Lord God, help us cast all our cares and anxieties for our personal lives, our loved ones, our church and school family, and our nation on you because you care for us.*  
(1 Peter 5:7)
